TOP SECRET/SENSITIVE

July 3, 1973

Peking 006

TO: Henry A. Kissinger
FROM: Ambassador David Bruce
SUBJECT: Report on Conversation with Chou En-Lai

1. Believe it would be useful in connection with Congressional visit to PRC (during which policy issues might be raised during discussions) for Dick Solomon to be familiar with line presented by Chou En-lai in our last conversation.

2. Urgently request your approval of my showing the record of this conversation to Solomon.

3. Warm regards.
